

## Програмові вимоги

до іспиту з англійської мови (частина 10)

1 семестр

SpeakOut 2<sup>nd</sup> Edition Upper Intermediate

1. Читання і переклад тексту.

2. Монологічне мовлення на тему:

1. Speak about the topics that people usually discuss when they first meet each other. Which conversational topics that go beyond the normal would you like to discuss when you want to learn more about your interlocutor? Use the indirect question patterns.
2. Describe yourself as a personality. What features of character do you want to develop? What traits do you admire in your friends and close people? Use the vocabulary to describe personality.
3. Speak about the feelings you have experiences when trying new things, such as a challenging sport, a new dish or a new skill. Describe in details the situation you were in. Who were you with? What were your expectations? What did you feel afterwards?
4. Speak about the activities you used to do, but do not do now. Were they important to you? Why did you give up doing these things? Would you like to do them again?
5. Describe the activities you haven't done but would like to do in the nearest future. Do you have any bucket list? What activities are real, and what are only a pipe dream?
6. Speak about the place you have always wanted to visit. What has stopped you from visiting this place? What are your expectations? What attracts you in this place?
7. Speak about something you have tried that you would recommend to someone else, for example a journey, an experience with animals/nature, a sport. How did you feel before/while/after it? Why do you think it is worth trying?
8. Speak about the people who are considered to be local heroes. How do they turn people's life around? What has motivated them to make changes in others lives? How can you personally make the world a better place?
9. Speak about surveillance technology. How might it be used in a good or bad way? Does it keep us safe or is it an invasion of privacy? Use the passive patterns.
10. Speak about the microchips. In what spheres they are already used? Is it beneficial for the better development of humanity, or may it cause negative outcomes?
11. Speak about the three pros and cons of laws that say companies should have 50 percent men and 50 percent women as directors.
12. Speak about 3 pros and cons of husbands and wives sharing household chores equally.
13. Speak about the pros and cons of traditional gender roles. Do you have traditional values regarding these roles? How would you describe the notion of a quiet revolution?
14. Major social issues in Ukraine and ways to handle them (debt, street crime, obesity...)

3. Лексико-граматичне завдання на основі вивченого матеріалу ( речення на переклад, граматичні правила)
